We are using Pickle Events and disposable timing tags for all races this year.

*****IMPORTANT NOTICES*****

We will be using disposable timing tags this year. The timing tags will not have to be returned. The tags will be attached to the back of the bib assigned to each athlete. The bib must be visible on the front torso and cannot be bent/crumpled in any way, which would damage the antenna on the bib. Failure for an athlete to follow these procedures will result in no time being recorded for that athlete.
